

Aleda Chen, Pharm.D., Ph.D.

Assistant Dean and Assistant Professor of Pharmacy Practice at Cedarville University

Cedarville, OH, US

Specializing in Patient Behavior Change, Pharmacy Education, and Health Information

Biography

As an educator and researcher, Dr. Aleda Chen focuses on the social and behavioral aspects of pharmacy (including health literacy, cultural competency, patient education, and adherence) and research design and methodology. She also is interested in improving and assessing health professional student education. Her research has resulted in multiple articles and book chapters, national and international presentations, and funded grants. Dr. Chen is actively involved with the pharmacy profession, including serving on several national pharmacy organization committees and co-advisor for Cedarville's APhA-ASP student chapter. She has worked as a community pharmacist and a consultant pharmacist since 2006.
