

Angela Bratton

Associate Professor of Anthropology at Augusta University

Augusta, GA, US

Dr. Angela Bratton researches gender and sexuality, immigration and refugees, folklore, food and culture, and cultural issues in Africa.

Biography

Bratton is an anthropologist whose research focuses on gender, sexuality, reproduction, feminist ethnography, identity/representation, education, and socialization. She also studies the anthropological reasons for why people travel, migrate and seek refuge in other countries. Other main interests include research on African comparative cultural issues, the relationship between food and culture, and folklore.

Areas of Expertise

Cultural Issues, Folklore, Immigrants and refugees, Food and Culture, Anthropology, Gender and Sexuality
