

Ben Pomerantz

Adjunct Lecturer Dept. of Children Youth and Families at USC Suzanne Dworak-Peck School of Social Work

Los Angeles, CA, US

Ben Pomerantz assists children, adults and families in a clinical settings including medical, psychiatric and social service institutions.

Biography

BEN POMERANTZ is a licensed clinical social worker and teaches foundation courses for first year MSW students. He has worked in the Los Angeles therapeutic community for 37 years, both as a psychotherapist in private practice and as a teacher.

Pomerantz has worked with children, families and adults in a variety of clinical settings, including medical, psychiatric and social service institutions. Pomerantz is the founder of Healing Strategies, a consulting firm offering wellness workshops to medical, educational and business organizations. For over 20 years, he has taught clinical hypnosis to psychotherapists, physicians, dentists and nurses. He has also taught "attention skills" classes to children, adolescents and adults at various schools in the community, including the UCLA Lab School.

He is the past president of the Southern California Society for Clinical Hypnosis and is certified in clinical hypnotherapy by the American Society for Clinical Hypnosis.
