

Emily Bianchi

Associate Professor of Organization & Management at Goizueta Business School

Atlanta, GA, US

Biography

Emily Bianchi joined the Goizueta Business School in 2011. She holds a PhD in Management from Columbia University and a BA in Psychology from Harvard University. Bianchi's research examines how the state of the economy shapes attitudes and behaviors ranging from individualism to ethics. Her work also looks at how economic conditions in early adulthood influence later job attitudes, self-concepts, and moral behavior. Her work has been covered by The New York Times, The Atlantic, NPR's Marketplace, USA Today, The Financial Times, Businessweek and others. Prior to graduate school, Bianchi was a Senior Consultant at Booz Allen Hamilton.
