

Bridget McInnes, Ph.D.

Assistant Professor at VCU College of Engineering

Engineering East Hall, Room E4255, Richmond, VA, US

Dr. McInnes' research is in the area of Natural Language Processing (NLP) with a particular interest in semantics.

Biography

Dr. McInnes' research has primarily been in the area of Natural Language Processing (NLP) with a particular interest in semantics, the process of analyzing the meaning of text. Specific areas of interest include:

- Word sense disambiguation
 - Biomedical text processing
 - Semantic similarity and relatedness
 - Information extraction
 - Literature-based discovery
-

Industry Expertise

Education/Learning, Research

Areas of Expertise

Natural Language Processing, Biomedical Text Processing, Information Retrieval, Machine Learning

Education

University of Minnesota

Ph.D. Computer Science

University of Minnesota

M.S. Computer Science

University of Minnesota

B.S. Computer Science
