

# **Bridget Wadzuk, PhD**

**Associate Professor of Civil & Environmental Engineering | College of Engineering at Villanova University**

Villanova, PA, US

Bridget Wadzuk, PhD, is an expert in water resources engineering, environmental fluid dynamics, and stormwater wetlands

---

## **Biography**

Dr. Wadzuk is a good interview source for stories about water resources, environmental problems caused by stormwater runoff, and the research that is being done to better design and construct systems that will prevent, alleviate and resolve the conditions that engender water pollution, flooding, erosion and other challenges.

---

## **Industry Expertise**

Research, Education/Learning

---

## **Areas of Expertise**

Environmental Fluid Dynamics, Water Resources Research, Stormwater Management

---

## **Education**

**The University of Texas at Austin**  
PhD

**The University of Texas at Austin**  
MS

**Villanova University**  
BS

---
