Accomplishments

Social Innovation Fellow at StartingBloc

The StartingBloc Fellowship brings the brightest young leaders and provides them with access to the resources they need to address the most pressing global challenges of our time. The most critical resource that our Fellows gain access to is a tight-knit community of social innovators based across the country and the world. Fellows are young leaders who share a common set of values. They believe that economic value creation and social value creation are complementary. They believe in making mone

Constellations Society Fellowship

The Constellations Society aims to create the first global think tank on governments and major institutions on five continents, with five pillars of focus: economics, politics, science, religion and the arts. The Society aims to do this by creating a social network that brings together the elite of the new generation: it is the younger generations who will decide what kind of world they want to live in, and it is they who will discuss and make recommendations on fundamental issues important to t

Northern Ireland Coordinator Children of Chernobyl Student's 10K Walk
