Sample Talks

Insane innovation

Is the opportunity to innovate, differentiate and create a compelling proposition to customers wishful thinking with the constraints of business today? What lessons can be learnt from other industries?

Listen to Chris Moss who as founder of the Orange brand, inventor of Virgin Atlantic's 'ice cream' moments and former 118 118 Chief Executive is responsible for some truly memorable, billion dollar brands. Chris believes in how seemingly small but simple ideas can change the world.
