## **Putting Facebook to Work for Business**

Facebook has more than a half-billion active users, and just recently gave marketers more power to communicate with their fans, get advanced analytics, and create custom pages. The question is, are your customers and prospects among these Facebook users, and if so, how do you reach and engage them?

Join Frontier Communications as we discuss ways to build a successful presence on Facebook, and how to

build and execute a strategy that drives business results.

Attend the live, one-hour Webinar to learn:

? The evolution of Facebook

? How Facebook is changing the way small businesses go to market

? Best practices for integrating Facebook into your overall online marketing strategy

? Tips for building effective Facebook pages, ad campaigns and marketing programs

? Facebook do's and don'ts
