Guinness World Record Attempt: Most Miles Run in 24 Hours

Testimonials

Manfred Gollent

There are a few times in life when you meet someone that just blows you away (in a positive sense!). Dan is one of those people for me.

A well educated, bold thinker with turbocharged energy and no fear of being undiplomatic, Dan will call things by their names in a relentless pursuit of excellence. Compromising on results is not a part of his philosophy and when he engages in something he does so without compromise, too.

If you ever have a chance to see Dan speak - and he does that quite regularly - seize the opportunity as you will be in for an extraordinary treat!
