

# **Dave Kerpen**

**CEO at Likeable Media**

New York, NY, US

Who Loves Ya, Baby? Step up from the crowd in the rough and tumble world of social media marketing with the likeability factor!

---

## **Description**

Dave Kerpen is the founder and CEO of Likeable Local, a social media software solution for small businesses. Dave is also the co-founder and former CEO of Likeable Media, an award-winning social media and word-of-mouth marketing firm with triple digit revenue growth for 4 consecutive years. Dave and his wife and COO Carrie have transformed theKBuzz (founded in 2006) into Likeable, 1 of Facebook's Top 65 Preferred Developer Consultants as well as the only 3-time WOMMY Award winner for excellence from the Word of Mouth Marketing Association (WOMMA).

Dave has been featured on CNBC's "On the Money", ABC World News Tonight, the CBS Early Show, the New York Times, and countless blogs. Within the past year, Dave has spoken at dozens of social media related conferences and webinars for organizations such as WOMMA and the American Marketing Association.

Dave is backed by a team of social media thought leaders who collectively have managed over 250 accounts on Facebook and other social networks, for brands such as Verizon FiOS, 1-800 Flowers.com, Neutrogena, Uno Chicago Grill, The Pampered Chef, and Heineken. Dave's book, a New York Times Best Seller, is "Likeable Social Media: How to Delight Your Customers, Create an Irresistible Brand, and Be Generally Amazing on Facebook and other social networks."

Dave is proud of his Likeable business accomplishments but prouder of Charlotte and Kate, his two daughters at home in New York.

## Sample Talks

### Using Social Media to Make Your Organization More Likeable

Are you using social media the right way in order to grow your brand? By following Dave Kerpen's 18 ways to succeed, your brand can become irresistible in the social media space. Based on his new book "Likeable Social Media: How to Delight Your Customers, Create an Irresistible Brand, and Be Generally Amazing on Facebook (& other social networks)" Dave will present how brands can thrive by using social media. You will learn the best ways to use each of the social networks, business success stories, and find out how to apply Dave's advice to your brand.

### How to Establish a Brand Personality Through Social Media

Thanks to social media platforms like Facebook, Twitter, and Foursquare, it's™ easier than ever for consumers to share their experiences and endorsements with friends and followers. Dave Kerpen, the CEO of Likeable Media and author of the New York Times bestseller Likeable Social Media, will show how to make word of mouth marketing work for you online. Learn how to create a voice for your brand, listen and respond to your audience, and deliver engaging content through social media.

### Is There Room for New Social Media Players?

Although there are thousands of social networking services, the landscape is dominated by a small handful of players: Facebook, Twitter, LinkedIn and perhaps Google+. The question is whether there is room my new entrants. What would it take for a new player to establish a strong foothold? And what should brands do when a new service appears on the scene? Join Dave as he provides insight into the competitive social media landscape.

### Using Social to Humanize the Brand

Developing a way to humanize social media efforts is essential for a brand's™ success in social. While technology helps the process, humanizing a brand also depends on people, and so it's™ crucial to get the balance between technology and humans right. Likeable CEO Dave Kerpen will explain the importance of humanized brands, give examples of platforms that help scale human engagement, and show best practices for combining technology and humans to make the most of social media.

### Social Media: Do or Die!

Social and digital media can help you market and sell your product or service; find and retain clients; and recruit top talent – if you've™ got a plan. In this session, learn and understand not only the tactics of –creating a page– but also the strategy, measurements, and ROI behind successful companies using social media in both the B2C and B2B realms. Dave Kerpen will share how they're™ doing it, and help solve your challenges and sticking points so that you can succeed as well.
