

David Berri

Professor of Economics at Southern Utah University

Cedar City, UT, US

Specializing in gender issues in sports and evaluations of players and coaches in sports

Biography

Dr. David Berri is a professor of economics at Southern Utah University. He has spent the last two decades researching sports and economics, while publishing works on a variety of topics including the evaluation of players and coaches, competitive balance, the drafting of players, labor disputes, the NCAA, and gender issues in sports.

Dr. Berri was the lead author of "The Wages of Wins and Stumbling on Wins" and recently published "Sports Economics", a textbook from Macmillan Publishers. In the past, he has written on the subject of sports economics for a number of popular media outlets, including the New York Times, the Atlantic.com, Time.com, and Vice Sports. Currently, Dr. Berri is writing for Forbes.com.

Dr. Berri graduated from Nebraska Wesleyan University with a bachelor of arts in economics and earned both his master of arts and Ph.D. in economics from Colorado State University.
