### **John Tasse**

“I have used Dawn to create and instruct a unique 3 session Social Media workshop for SCORE clients. Seven workshops were completed in 2011 with outstanding attendee satisfaction. Dawn keeps the material current and is an excellent trainer. Dawn also helped SCORE develop its own Social Media network which was created and recently implemented on schedule. She is a Social Media expert and easy to work with.”

### **Jo Rogers**

“Dawn is an expert on Social Media. She is generous with her time and knowledge. I have recommended her to other businesses. She is contentious and has a strong desire to help others. I would recommend Dawn highly as a Social Media consultant.”

If you need help with any Social Media campaign on any Social Media site, you will find it di
