

Diana Sherifali

Associate Editor at Diabetes Canada

Hamilton, ON, CA

Dr. Diana Sherifali's research interests include the implementation of diabetes self-management.

Dr. Sherifali joined the School of Nursing at McMaster University as sessional faculty in 2008. Following a three year post-doctoral fellowship funded by the Heart and Stroke Foundation, Diana accepted a tenure track position with the School of Nursing. She holds an Early Career Research Award, Hamilton Health Sciences, and is also a Clinical Nurse Specialist in the Diabetes Care and Research Program/Boris Clinic at Hamilton Health Sciences. Diana has co-authored two chapters for the 2013 Diabetes Canada's Clinical Practice Guidelines and is co-principle investigator for the McMaster Evidence Review and Synthesis Centre.
