

Dr. Jacobo Mintzer

Professor of Neurosciences and Psychiatry at Musc Medical University

Charleston, SC, US

Executive Director of Clinical Biotechnology Research Institute, Professor of Health Studies, Dedicated Researcher

Description

Jacobo E. Mintzer, MD, is the Executive Director of Clinical Research and the Alzheimer's Disease Research Center, at the Roper St. Francis Clinical Biotechnology Research Institute in Charleston, SC. He is also a professor in the department of Health Studies at the Medical University of South Carolina (MUSC) and a staff physician at the Ralph H. Johnson VA Medical Center. At MUSC, he developed the Geriatric Psychiatry and Alzheimer's research program in 1991, which includes inpatient, outpatient, and consultation services as well as a fellowship program. Dr. Jacobo Mintzer has been involved in clinical research on Alzheimer's disease for the last 20 years.

Dr. Mintzer is a distinguished fellow with the American Psychiatric Association. Dr. Mintzer is former treasurer and board member for the American Association for Geriatric Psychiatry (AAGP). He is former member of the American Psychiatric Association (APA) Council on Aging and Co-Chair of the Scientific Committee for the 2003 meeting of the International Psychogeriatric Association (IPA). Additionally, he is the former Chair of the APA Committee on Ethnic Minority Elderly Committee. Dr. Mintzer's clinical interests are concentrated on geriatric psychiatry and medicine, Alzheimer's disease and psychopharmacology of Alzheimer's disease, behavioral management of agitated demented patients, memory disorders, and mental health in the elderly as a function of ethnicity.

Dr. Mintzer earned his medical degree at the University in Buenos Aires, Argentina. He completed an internship and a five-year residency at the Hadassah-Hebrew University School of Medicine in Jerusalem, Israel, and a fellowship in geriatric psychiatry at the University of California in Los Angeles. Dr Mintzer is fluent in five languages.
