

Professor Richard Martin

**Reader, Electrical, Electronic & Power Eng, Aston Institute of Materials Research (AIMR) at
Aston University**

Birmingham, , GB

Dr Martin's research interests include bioactive glass and structural studies.

Biography

Professor Richard Martin's research interests include bioactive glass, structural studies, neutron scattering, advanced imaging, and biomedical materials.

Areas of Expertise

Advanced Imaging, Structural Studies, Bioactive Glass, Glass, Neutron Scattering

Education

University of Bath

BSc Physics with industrial placement

University of Bath

PhD Rare earth phosphate glasses
