Accomplishments

Medical Technician and Toxicologist Burge Protestant Hospital
Began as an assistant, worked my way up to being the night supervisor of a 500 bed hospital laboratory. 1962-1967

Extern Homer G. Phillips Hospital
The Civil Rights Act of 1964 caused a huge problem for previously de jure and/or de facto black hospitals. In 1965, no one applied for residency in obstetrics. Having cleared the work with the Medical School Dean, five of my classmates worked 7 PM to 7 AM delivering babies. 1966 through 1967

Director of Toxicology Vermont CRASH program
Supervised the blood and breath testing of alcohol for Counter Measures for Alcohol Safety on the Highways (CRASH).

Regional Medical Examiner Deputy Chief Medical Examiner Vermont
Began in my pathology residency as first Regional Medical Examiner was promoted to Deputy Chief Medical Examiner for the State of Vermont.

Assistant then Associate Professor of Pathology University of Miami
Appointed Assistant Professor 1974. Granted tenor and Associate Professorship 1976

Deputy Chief Medical Examiner Dade County
Appointed Deputy Chief Medical Examiner Dade County Florida 1974

Chief Medical Examiner Broward County Florida
Chief Medical Examiner 1.5 million people in Broward County

Private Practitioner Forensic Pathology and Toxicology
Retired from the University and entered private practice
