We just had Ford Saeks as a keynote speaker for our convention and I'm already hearing rave reviews. People are taking his ideas right now and figuring out how to take them back to work in their businesses so they can do great things with them. I highly recommend all of [Ford's] work!

Jeffrey Gittomer

Unbelievable...We learned more in one day with Ford Saeks than we had known in two years of trying to grow it and do it ourselves.
