

Francis Galgano, PhD

Associate Professor and Chair of Geography and the Environment | College of Liberal Arts and Sciences at Villanova University

Villanova, PA, US

Francis A. Galgano, PhD, specializes in coastal geography and military geography.

Description

Geography and environment are two of the determinant factors in a location's habitability and prosperity. Intrinsic geographic features such as climate, topography, and susceptibility to natural disasters have far reaching social, political, and economic implications. Whether it's discussing earthquakes or floods, volcanic eruptions or the environmental impact of oil spills, Dr. Galgano is the source to turn to when working on environmental stories. His areas of specialty include coastal geography and military geography.
