

# **Fumiko Hoeft**

**Scientific Director at University of Connecticut**

Storrs, CT, US

Will be leading UConn's Brian Imaging Research Center (BIRC), and joining the Department of Psychological Sciences.

---

## **Biography**

Dr. Fumiko Hoeft is a cognitive neuroscientist, with theoretical interests in the neurobiological mechanisms underlying individual differences in brain maturational processes and the acquisition of skills such as reading (and dyslexia). She will be leading the Brian Imaging Research Center (BIRC), and joining the Department of Psychological Sciences. She has an impressive track record of externally-funded research and development, and a dynamic vision for the future of BIRC.

---

## **Areas of Expertise**

Neuroimaging, Scientific Writing, Neuroscience, Science, Life Sciences

---

## **Education**
