## **Biography**

Garrison helps people make the jump from being great at what they do to developing the qualities it takes to be consistently chosen for the job. He gets them to understand why their products, services, or leadership styles—or those of their competitors—are selected. As he says, “If the world agreed on what’s best, everybody would choose the best and nothing else would be considered. Decision making doesn’t work that way.” His presentations help people become more influential regardless of circumstances.

Garrison has presented to some of the world's most effective leaders and business developers, from multibillion-dollar manufacturers and national associations to top New York Stock Exchange wire houses. He has a background in manufacturing, telecomm, and financial services and toured as a professional stand-up comedian. In his teens, Garrison worked with Magnavox and baseball legend Hank Aaron to promote the world's first video gaming system, and by age 27 he became the youngest department head in a Fortune 500 company's history. He researched and designed processes for 38 locations nationwide and developed and marketed products still being sold in 30 countries. He is the author of the Amazon.com bestseller *The REAL Truth About Success*, has contributed weekly to *The Washington Post*, and has coauthored with Stephen Covey. His award-winning success tools receive high praise, but his greatest strength is a magnetic live performance that keeps him in high demand, with more than 600 inquiries and 100 speaking dates per year.

### **Jett Kuntz**

"As an event coordinator you have a great responsibility to select speakers that will hit a home run with your audience. We were looking for two things...humor and an impactful message. Garrison did a great job researching our customers and making every topic he touched on relatable. His humor was right on...and his message was powerful. Selecting speakers for conferences can be an inexact science. Save yourself the time and effort and just hire him to speak at your meeting. You won't regret it."

### **Event Coordinator**

Rave reviews would be an understatement, you are one of the best keynote speakers we have ever had at Smith Barney. I really appreciate your preprogram research and funny to-the-point delivery. Let's try to match schedules for multiple dates next year. Thank you for all that you did for us.

### **Event Coordinator**

Funny, fast and entertaining! I was shocked at how much information I received from just the 30 or 45 min that Garrison spoke. His energy level was way up there and the stories tied it all together! After 30 years in Subway he was one of the top 3 I have ever seen. Thanks again for being part of our team too.

### **Event Coordinator**

You were simply an overwhelming hit! Your presentation hit home with the audience in a very personal and introspective way. Your comments will be remembered for many years to come. When I summarized the conference and mentioned your name, the crowd broke out into a hellacious round of applause.

### **Event Coordinator**

When asked what their favorite session was, audiences in the United States, The Netherlands, and Nigeria gave your session the most votes— hands down! None of the other sessions came even close!

### **Event Coordinator**

Garrison was able to get through to our people like no one else. We thought we knew it all; we were wrong.

### **Event Coordinator**
