

Hussein Abaza, Ph.D.

Associate Professor of Construction Management at Kennesaw State University
Kennesaw, GA, US

Hussein Abaza is an associate professor in the Department of Construction Management.

Biography

Hussein Abaza has more than 15 years of experience in the construction field and more than 10 years of collegiate teaching experience. With a doctoral degree in building energy efficiency and building simulation, Abaza has built several super energy efficient projects and has worked as a construction company owner, project manager, project engineer and estimator, as well as managed multi-million dollar research grants.

Industry Expertise

Construction - Commercial, Energy

Areas of Expertise

Heat and Moisture Transfer in Buildings, Net-Zero Low Cost Buildings, Holistic Design for Energy Efficient Buildings, Building Energy Simulation, Using Building Information Modeling (BIM) for Energy Efficient Buildings

Education

Virginia Polytechnic Institute and State University
Ph.D. Environmental Design and Planning

Jordan University
M.S. Architectural Engineering

King Faisal University
B.A. Architecture
