

John Johannes, PhD

Professor of Political Science | College of Liberal Arts and Sciences at Villanova University

Villanova, PA, US

John Johannes, PhD, is a go-to expert on legislative initiation, congressional activities and the reform of governmental institutions

Biography

Understanding the inner workings of the United States Congress has perhaps never been more important than it is in this era of polarized, partisan politics. Dr. Johannes' career-long study of the legislative body makes him an authoritative source on legislative initiation, reporting requirements imposed by Congress on the executive branch, congressional constituency service, and campaign finance. Johannes' current interests focus on congressional activities and reform of federal governmental institutions, structures, and procedures, with special attention to Congress and elections.
