Sample Talks

Product Warnings & Instructions: The Good, The Bad, and The Ugly

An exploration of the crazy, bothersome, and occasionally effective warnings seen on every product and the impact of these messages on U.S. society.

Challenging Expert Witnesses in the Courtroom

Surrounded by 'junk science,' the effects of bogus experts are perhaps most damaging when deployed in U.S. courts. How can these people be stopped?

Persuasive Communication: A Little Psychology Goes a Long Way

With modern schools no longer teaching the science of rhetoric, explore what works and what doesn't in today's most persuasive communications.
