Accomplishments

CEO and Founder – Printchomp

Printchomp is a much-heralded new startup that is designed to connect people with printers, and take a chomp out of your printing prices. Printchomp was founded for one simple reason, to make the process of ordering printed goods easier. We make the process of searching, ordering and tracking your print job easier. At Printchomp our goal is to connect the right order with the right printer.

Advisory Board – StickerYou

StickerYou is a fun, flexible and easy-to-use online technology for people to create their own high-quality vinyl stickers. Our leading edge platform provides unlimited opportunities to create stickers for a variety of needs. From decorating your laptop to personalizing your scrapbook our die-cut stickers can enhance any lifestyle. For small and large companies, StickerYou is a powerful and cost-effective way to build their brands and engage with consumers.
