Growing Courage & Confidence in Women Leaders

Biography

Kathy knows that most of us feel like we spend our days chasing fires and solving everyone else's problems. However, at the end of our days, we feel as though we didn't get anywhere. As an internationally certified leadership development coach, Kathy gives you the inner and outer tools to turn that around, so you can move from surviving—to thriving.

Kathy coaches individuals who want to strengthen their leadership and find balance in life. She mentors people as they rediscover their purpose, passion, and persistence for life while dealing with office politics, jerk bosses, and the challenges of family life.

Her recent book *Mastering Confidence: Discover Your Leadership Potential by Awakening Your Inner Guidance System*, Kathy shows you how to develop your inner confidence so you can have the impact you desire in work and in life.
