Why Strategy is Never Enough to Boost Your Bottom Line

Do you want more profit, faster growth, better results?

Business leaders are constantly shocked to learn that physical activity, empowerment, and personal growth in the workplace are the missing links in getting from where they are to where they want to be. Having the right strategy sets you up for success, but the magic is in the execution. Incorporating intention-based management and productivity bursting will revolutionize results and create a culture of motivated, engaged employees.

Accomplishments

Senior Vice President-Randstad

Kelly's rise to the top of her field came from a fierce determination to do what others thought impossible. After joining a Fortune 500 firm in 2004, Kelly catapulted her career and income achieving 7 promotions in 8 years.

On her rise to the top Kelly coached, trained and mentored hundreds of business professionals to create rapid income acceleration, career advancement and breakthrough business results.

Philadelphia Eagles Cheerleader

I had the honor and privilege to be selected from amongst hundreds that auditioned to become a Philadelphia Eagles Cheerleader. For two years I represented the NFL at appearances, charity events and game day performances.
