Sample Talks

The Artistry of Leadership-Creating Meaningful Connections

An interactive, dynamic professional development experience and keynote event that awakens business leaders to their powers of focus, interpretation, visioning, listening, and innovation. Artistry of Leadership embraces principles of the Inspired Learning Model, of which Asbjornson is both a master facilitator and practitioner. This model centers on the dynamic interaction between the facilitator, learner and learning environment; an interaction that inspires self-discovery, insight and wisdom.

Leadership is a Performing Art

LEADERS INSPIRE PEOPLE; PEOPLE MOTIVATE THEMSELVES Artists create from deep internal motives. Likewise, individuals in organizations bring intrinsic motivation to their work. Rather than trying to manufacture motivation, an artful leader inspires exceptional work by calling upon others'™ innate desire to make a difference. This inspiration inevitably fires people's™ imaginations which in turn triggers innovation.

Mr. Asbjornson parallels the artistic competencies of artists with leaders.

Inspiration, Imagination, Innovation -Redefining Leadership in the 21st Century

Consumers of the world have experienced unprecedented examples of inspiration, imagination and innovation in technology products however; employees in the global workplace and citizens of the world are now insisting and expecting these characteristics in the leadership of corporations, organizations and governments.

Mr. Asbjornson, a leadership consultant, facilitator and coach with extensive international experience, presents the model of Inspired, Engaging & Transformational Leadership.
