## **Description**

Author, speaker, consultant, and industry expert, Kristin Baird is president of the Baird Group, a consulting firm dedicated to transforming healthcare culture and shaping the patient experience. Baird and her team excel in helping healthcare leaders first understand the patient experience with their organizations, then guide them in strategies to close the gap between the current reality and the desired service vision.

To help her healthcare clients understand the patient experience on a deep level, Baird has refined a mystery shopping methodology that sheds light on the current reality. Her model for service excellence has been implemented in numerous organizations across the US and includes a pragmatic approach for improving HCAHPS scores. The model incorporates strategy alignment, leadership development, and employee engagement, as well as front-line training on behavior-based standards.

Baird's passion and pragmatic approach are based on more than thirty years of healthcare experience, including nursing, marketing and business development, and hospital administration.

Baird is a prolific author and renowned industry speaker on the subject of the patient experience. She has authored *Raising the Bar on Service Excellence: The Healthcare Leader's Guide to Putting Passion into Practice*, *Customer Service in Healthcare*, and *Reclaiming the Passion: Stories that Celebrate the Essence of Nursing*. In addition, she has authored over 200 articles on a variety of topics related to organizational culture, patient experience, and employee engagement.

In 2009, Baird received an appointment from the Secretary of Health as an advisor to the Health Service Corps in Washington, D.C. Baird's primary success is in coaching and supporting hospitals and health systems in achieving their missions. Her work has been the topic of various articles and workshops with such prestigious healthcare organizations as Press Ganey, NRC Picker, Avatar International, the Society for Healthcare Strategy and Market Development, the National Association for Healthcare Quality, the Medical Group Management Association, the Beryl Institute, and the Forum for Healthcare Strategists.

Baird earned her Bachelor of Science degree in Nursing from the University of Wisconsin-Madison and a Master of Science degree in Health Services Administration from Cardinal Stritch College.
