

Leanne C. Krawchuk

Partner at Dentons Canada LLP

Edmonton, AB, CA

A securities expert with top-notch advice and insight on mergers, acquisitions and sale transactions.

Leanne's securities practice involves providing advice to clients on mergers, acquisitions and sale transactions, including plans of arrangement, reverse takeovers, reorganizations, and amalgamations.

Representing clients in the mining, construction, engineering, oilfield service and technology industries, she also assists both public and private issuers, including municipalities, in raising capital through private placements, public offerings, venture capital financings and commercial paper offerings.

Leanne interacts with the stock exchanges and other securities regulatory authorities in Canada in connection with various applications on behalf of reporting issuers and exempt market dealers. In addition, she is routinely involved in the negotiation and drafting of commercial agreements relating to the establishment of joint ventures and other strategic partnerships, construction contracts, including subcontracts, and long term supply and purchase agreements.
