

Manish Nargas

Research Analyst, Consumer and Mobile Research at International Data Corporation (IDC)

Toronto, ON, CA

Manish provides a unique lens on the Canadian consumer mobility, wearable and AR/VR market

Biography

As a Research Analyst, Consumer and Mobile Research, Manish is responsible for conducting insightful research and analysis of Canadian Consumer services and technology markets. Manish delivers continuous intelligence services (CISs) relating to both mature and emerging consumer technologies with a focus on usage trends and adoption.

Prior to joining the Consumer and Mobile Research team, Manish delivered in-depth analysis of the burgeoning Additive Manufacturing market from a Canadian perspective with IDC Canada.

With an Engineering specialization in Telecommunications and a MBA in management of technology trends and innovation, Manish provides a unique lens on the Canadian consumer services and technology markets.
