

Mark Plunkett

Pediatric and Congenital Heart Surgeon at OSF HealthCare

Greater Chicago Area, IL, US

Professor of Surgery at The Children's Hospital of Illinois and the University of Illinois College of Medicine

Description

Dr. Mark Plunkett began his professional education and medical career over 30 years ago with a B.S in Biology from Duke University. He then received his Doctor of Medicine degree at the University of North Carolina in Chapel Hill. Following medical school he completed his surgical training in General and Cardiothoracic Surgery at Duke University Medical Center. In addition he completed a tenth year of sub-specialty training in Pediatric and Congenital Cardiac surgery at UCLA Medical Center and the Mattel Children's Hospital. He has held faculty positions in heart surgery at the University of Illinois, the University of Kentucky, the University of Minnesota and at the UCLA School of Medicine.

Dr. Plunkett is currently a Professor of Surgery in the Department of Surgery at the University of Illinois and a Pediatric and Congenital Heart surgeon at the Children's Hospital of Illinois Congenital Heart Center.

He is board certified by the ABTS in Cardiothoracic Surgery and is one of 160 Pediatric and Congenital Heart surgeons in the U.S who are currently board certified in Congenital Heart Surgery by the American Board of Thoracic Surgery.
