## Biography

Mark and Patti Virkler have co-authored more than 50 books available at [www.cwgministries.org](http://www.cwgministries.org). and the university they oversee is at [www.CLUonline.com](http://www.CLUonline.com). Their books are unique in that they are designed to draw the learner into revelation-based learning. Best sellers include "4 Keys to Hearing God's Voice," and "Prayers That Heal the Heart," and "Christian Dream Interpretation." Dr. Virkler has taught these three subjects on six continents for 30 years. They met his wife Patti while at Roberts Wesleyan College in North Chili, N.Y. and married during their third year. Before they graduated, both experienced the baptism of the Holy Spirit, becoming Charismatic and wholly committed to the Spirit-filled lifestyle. They graduated in 1974, Patti graduating magna cum laude. Mark has received a Master of Theology from Miami Christian University and a Ph.D. from Carolina Christian University. He has also been included in "Who's Who in the World" many years since 2000, and "Who's Who in American Education" in 2006. Here are some responses from a survey of people who recently completed our first 3-month training module entitled How to Hear God's Voice. Eighty percent had been believers for more than 25 years, so these are responses from seasoned Christians and were offered at the conclusion of the course! This experiential seminar is the most down-to-earth, practical training available to teach people how to clearly and continuously discern the voice of God within their hearts. 95% stated, "I can hear God's voice daily if I choose to." 97% felt their intimacy with God had increased. 92% said their interpersonal relationships have greatly improved. 94% said they were more at peace with themselves and God. 94% said sin and negative thoughts were diminishing. 95% considered it one of the top training experiences in their life. The pastor said he considered it the top training experience in their 30+ years as a church. Mark Virkler is hilarious and transparent as he unfolds practical insights from the Word of God, showing you how to easily interact with the Holy Spirit on a continuous, ongoing basis and how to receive wisdom and power for successful Kingdom living. "This was the best seminar I have ever attended." KR "Mark illumines, reveals, demonstrates and then we actually practice truth together." The whole teaching on 4 Keys to Hearing God's Voice has been a wonderful help and has been of great personal benefit both to myself and to my wife, Carol. Dialogue with God is worth a million dollars to any Christian who is serious about the issue of hearing the voice of God. Mark's teaching on this issue profoundly impacted my life. "I have been an active Baptist pastor for thirty-seven years. As far as I am personally concerned, seminars like 'Counseled by God' and '4 Keys to Hearing God's Voice' and ' are absolutely fundamental to the building up of the inner life. At this present time we have six ongoing classes in '4 Keys to Hearing God's Voice' using Mark's video series and one class on 'Counseled by God.' I highly recommend him and his ministry to you. I would be glad to talk with you on the telephone if you have any questions."
