

Martin Laschkolnig

Director at Institute for the Developing of Potential

Linz, , AT

International Keynote Speaker & Coach on success, motivation and how to break thru blocks and build high self-esteem

Biography

Martin is a professional speaker and member of the board of the German Speakers Association. His specialities are keynotes and seminars on motivation, success (esp. "The Success Principles,) employee engagement ("Moving Mountains Together") and self-esteem and maximum confidence. With his knowledge in EFT he also facilitates break through experiences that will shatter limiting beliefs as if they had never been there. This can be done in a group setting or in a 1-on-1 environment either in person or via Skype. What blocks or fears do you want to break through or overcome? It often works within very short time, sometimes even in one session. Not sure if I can help with this special problem? Ask me and we will explore the possibilities together! Working since 2001 in the field of Early Education as Master Franchisor for Helen Doron Early English (HDEE) in Austria. HDEE is the world leading franchise for early language acquisition (20+ countries, more than 70,000 students worldwide). Since 2003 representing the International Council for Self-Esteem in Austria which is a non-profit network around the world to promote the profound impact that a healthy self-esteem has on our lives, whether we are children, students or adults. In this role he offers non-profit self-esteem keynotes and trainings for schools and educators. Martin Laschkolnig is also a partner of Jack Canfield (www.jackcanfield.com), the founder of the Chicken Soup for the Soul Series and the author of "The Success Principles" and star in the movie & book phenomenon "The Secret". In combination with his training in EFT (Emotional Freedom Techniques), Martin Laschkolnig provides cutting edge self-esteem and peak performance trainings for individuals, businesses and organisations. Participants do not only receive relevant information in an inspiring and entertaining way, but also practical means to safely and effectively change habitual patterns for break-through results.
