

Martin Sumner-Smith

Senior Advisor, Life Sciences & Healthcare at MaRS Discovery District

Toronto, Canada Area, , CA

Senior Advisor, Life Sciences & Healthcare at MaRS Discovery District

Description

Martin has executive experience in biotechnology, life science and information technology industries. He has held research management, marketing, communications, public relations, business development and licensing roles in established companies, and as an entrepreneur has founded several start-up companies.

He brings a biological scientist's perspective to the analysis of the complex value networks that operate within and between organizations, and that increasingly depend on digital media and other emerging technologies.
