Sample Talks

Creating Dynamic teams and Committees

If lack of teamwork is holding your organisation back then this is a workshop you must attend. You'll learn what makes people 'click' utilising the CLICK personality system. You'll also learn how to get your team or committee all on the same page when problem solving by understanding and applying the Edward de Bono 6 Hats system. Through these and other techniques you'll be able to create and build a strong, unified team or committee.
