Performance Improvement Catalyst at Achievement Unlimited

West Chester, PA, US

Performance Improvement Catalyst at Achievement Unlimited

Biography

Michael specializes in working with entrepreneurs, CEOs & business owners who are seriously committed to taking their business to the next level. While they have the desire to grow their company they are struggling with the growth pains of building an organization. They are slammed with time and constantly putting out fires. Instead of moving closer to their important goals, they find themselves reacting to urgent matters, leaving them frustrated with their progress towards that next level.

Michael helps them escape the activity trap and conquer organizational inertia. This frees up time for them to focus on building a corporate culture and leadership development program designed to accelerate their results towards their desired destination. He is the expert in creating bigger futures for each one of his clients and maintains the down-to-earth approach that his clients enjoy.

Michael's clients describe him using words like:

- High energy level
- Highly motivated
- Down-to-earth
- Expert in the field
- Authentic

Michael has developed and presented hundreds of workshops and training seminars to all sectors of the business community across the country. Through his workshops, processes, and coaching, he helps clients increase personal and team productivity, and improving leadership effectiveness and developing winning attitudes. His results-driven programs have proven enormously successful in enhancing both profitability and personal satisfaction for his clients.

Prior to founding Achievement Unlimited in 1996, Michael learned about business and the qualities that produce successful people and companies by working his way up from the ground floor in a career spanning 25 years. He is a seasoned business leader whose broad experience and knowledge enable him to offer cutting-edge strategies to companies seeking new yet proven ways to re-energize and grow.

Excellence In Execution

In the new economy, in this “do more with less age” everyone is under siege to improve performance at every level in the organization. We are constantly struggling to cope with getting more done in less time, with fewer good people, and ever tightening margins. Execution, not strategy, is what usually separates winners from losers in most industries, and generally explains the difference between success and failure in most organizations.

Testimonials

Ron Strobel

“Michael is someone I can fully recommend without hesitation. He is a committed professional speaker with extraordinary talents to get his audiences to come alive with ideas. I have watched him on many occasions receive high praises from all in attendance.”

Cynthia Huber

“I had the great pleasure of attending Michael's presentation, "Excellence in Execution" at the SMEI Philadelphia meeting, Michael's presentation was in a word.... fabulous! His presentation style is lively and invigorating, the content was both meaningful and insightful, and he clearly connected with the audience. I left with some specific action steps that will help me with my business. I highly recommend Michael as a speaker for your organization.”

Marcia J. Gring

“Michael is the best presenter I have ever experienced in the area of Time Management. He is extremely knowledgeable and makes his workshops productive and fun! I highly recommend him for any individual, group, or corporation wanting to make the most of their time with the end result being increased productivity, decreased down-time, and highly improved self-esteem for each team member.”

Christopher Camburn

“I'd like to thank Mike for his presentation on SEDO and HPAs. If you need to improve your time management and continue to drive your business your way, be sure to have him out and help you remain focused.”
