## **Biography**

A deep thinker and matter of fact speaker, Michelle Leong Francis is as unique as her nickname - JADE. This inspirational speaker is an awesome storyteller, dynamic facilitator, educator and conveyer of the harsh beauty of success and failure as a path to GREATNESS. She transforms complex and sensitive subject matter into everyday discussion, with poise, humour and passion to challenge paradigms, dogmas and provoke critical thought on that which keeps most awake at night.

Her curious nature, playful demeanour, sincere candor, allows her audience a release from the everyday to challenge and redefine, bring to light or look differently at life, business and self. Through her reflective accounts of question, struggle and triumph over the adventures of life she embodies resilience.
