

Mike Lincoln

EVP Business Development at Lillibridge Healthcare Services Inc.

Chicago, IL, US

Sought after speaker on driving healthcare industry innovation, reconciling growth with capital, and enhancing the customer experience.

Description

Mike leads Lillibridge's business development and strategic client management activities. In this capacity, Mike's team assists hospital and health system executives nationwide in reconciling growth and care delivery transformation changes with capital constraints. His responsibilities include the design, planning and execution of Lillibridge's go-to-market strategy. In addition he is responsible for the firm's customer experience and loyalty initiatives. Mike is also a member of the firm's executive management committee.

Prior to Lillibridge, Mike was a founding member and Managing Director at General Electric's Healthcare Financial Services Strategic Relationship Group in Chicago. His 20 year financial service career also included 10 years at Bank of America (and its predecessor firms) in the areas of corporate finance, debt capital markets, derivatives and interest rate risk management. Mike began his healthcare career as a marketing representative for Baxter Healthcare and served as a licensed Emergency Medical Technician for over 10 years in Texas, North Carolina and Illinois.

Mike holds a Master's of Business Administration from the Kellogg School of Management at Northwestern University in Evanston, Illinois and Bachelors in Arts in Political Science from The Colorado College. Mike is a member of the HFMA's First Illinois Chapter and the American College of Healthcare Executives. He is a frequent speaker to healthcare industry and real estate group on the topics of innovation, disruptive change and capital formation.
