

Mr. Brian O'Connor

Chair at European Connected Health Alliance (ECHA)

Isle of Man, , GB

Currently providing strategic advice to Governments, International organisations and companies on the challenges facing healthcare

Description

Brian O'Connor leads ECHA which is known as a "trusted connector", the ECHAlliance generates lasting relationships through the use of existing connections and unrivalled knowledge and expertise in the world of healthcare. The generation of the ECHAlliance extensive "intelligence network" aims to maximise healthcare resources and drive mutually beneficial strategies.

A collaborative partnership: with more than 320 member organisations, 15,000 profiles and a presence in 25 countries, the ECHAlliance is a powerful force for change, whose combined knowledge, expertise and connections, can speed up progress in the delivery health and social care.

After growing up in Belfast, Northern Ireland, Brian developed his career as a consultant, manager and investor. He has worked in the UK, US and Hong Kong and has vast experience as a company director in a variety of industries and professions. He has raised significant sums for companies through both private equity and structures and exchange listings.

Through his long established consultancy company, Corporate Direction Ltd, he is currently providing strategic advice to Governments, International organisations and companies on the challenges facing healthcare in general and specifically on the Connected Health opportunity.
