

Nicole Giuliani

Assistant Professor, Special Education and Clinical Sciences at University of Oregon

Eugene, OR, US

Psychology expert, specializing in emotion and self-regulation

Description

Nicole Giuliani focuses her research on emotion, self-regulation, health behaviors and family dynamics in relationship to the decisions people make about the foods they eat. She uses multiple methods, including neuroimaging, to explore for the basic brain processes and mechanisms that are tied to emotion and self-regulation. She is a member of the Health Promotion and Obesity Prevention Initiative. Prior to joining the UO faculty, Giuliani was a postdoctoral researcher in the Department of Psychology.
