Sample Talks

Engage Your New Leaders, Right from the Start

Geared toward your business unit heads, HR partners, and executive coaches this program offers insights and tools to help your newest leaders succeed.

Drive Value from Differences

In this dynamic, engaging session, Pam shares research-based secrets for making the most of all types of diversity in your organization? whether personality (eg, Myers-Briggs), gender, culture, skills, virtual location - whichever are most relevant to your objectives.

Scales from a 45 minute keynote energizing your organization to a full-day session developing insight and skills for your managers and executives. Pam's a pro at creating custom, memorable experiences that deliver real business value.

Speaking clients include:

Autodesk, Blue Shield of California, Charles Schwab, eBay, Genentech/Roche, GlaxoSmithKline, LinkedIn, Packard Foundation, Stanford Graduate School of Business, University of San Francisco Executive MBAs, Verizon

Make Your Strongest Start

Designed for presentation to audiences of first-time managers or experienced executives, this program will uncover the mysteries of success during those first, critical months of leadership.

Brain-Savvy Leadership

Show your executives and up-and-comer employees how to apply the latest findings in neuroscience to maximize their individual potential, and become more effective and productive leaders.

Education

Stanford University Graduate School of Business
MBA
