Testimonials

“Marci Shimoff

Phyllis, thank you for the brilliant consultation! I loved all of your wise advice, and I’ve passed it on to my social media manager. She and I are both thrilled with the practical steps you recommended to increase the size of my audience online. Since meeting with you, my overwhelm and intimidation with social media has turned into excitement about the new possibilities you’ve opened me to” now that’s a huge feat! I’m impressed with your masterful trainings; your powerful products that help entrepreneurs grow their businesses with social media, and your wonderfully practical books, especially Social Media Marketing eLearning Kit for Dummies. Bravo!

If you are looking for the most comprehensive information in social media marketing, Phyllis Khare has it all! She really DOES live online and is always up on the latest changes in a myriad of social media accounts and how they function and interact with each other. She has an amazing ability to put social media marketing strategies together in unique ways that market you or your business AND get significant measurable results. I’ve often told her I would love to be able to “download” her brain into mine. She is truly a Social Media Guru!

The social media classes with Phyllis Khare were life changing and will continue to excite and motivate me for a long time. Without diminishing the hugeness of the networking world she makes you feel like you can access the important points and create a new level of presence on the web. She brings you step by step into the magic of each arena and teaches not only the technical details but keeps you in touch with the goals underlying them. I just love how much personal support we all got and itâ€™s no wonder she is so respected for her generous sharing in so many circles.
