

Richard Kelnhofer, Ph.D.

Associate Professor at Milwaukee School of Engineering

Milwaukee, WI, US

Dr. Richard Kelnhofer is an expert in the areas of electrical engineering and higher education pedagogy.

Biography

Dr. Rich Kelnhofer is an Associate Professor in the Electrical, Computer and Biomedical Engineering department and has been a faculty member at MSOE since 2008. Dr. Kelnhofer is an expert in the areas of power electronics, datacenter design, electrical engineering and higher education pedagogy. Prior to joining MSOE, Dr. Kelnhofer gained industrial experience in the telecommunications sector at Norlight Telecommunications and KDL working in numerous technical and management areas. He and his teams were responsible for the design of a multistate fiber optic network along with the daily operations, monitoring and support of the network. Dr. Kelnhofer also was responsible in the design and operation of Norlight and KDL's datacenters. At MSOE, Dr. Kelnhofer led the Electrical Engineering Technology and Electrical Engineering programs as Program Director from 2008-2012 and 2012-2019, respectively.

Areas of Expertise

Power Electronics, Data Center Design, Telecommunication Systems, Electrical Engineering

Affiliations

ASEE - Member

Education, Licensure and Certification

Ph.D.

Electrical Engineering Marquette University

M.S.

Electrical Engineering Marquette University

B.S.

Electrical Engineering University of Wisconsin-Milwaukee

Accomplishments

**Falk Engineering Educator Award, MSOE
2013**
