

Robert Parrino

Professor, Chair of Department of Finance at The University of Texas at Austin, McCombs School of Business

Austin, TX, US

Corporate governance, mergers and acquisitions, IPOs, Executive Compensation

Biography

Robert Parrino is a finance professor and expert on corporate finance, private equity markets, CEO turnover, mergers and acquisitions, and IPOs.

Parrino chairs the department Finance (ranked 5th among top-tier finance programs by U.S. News in 2015), and has been named the Lamar Savings Centennial Professor of Finance at The University of Texas Austin. He is also the founding director of the Hicks, Muse, Tate & Furst Center for Private Equity Finance at UT Austin.

Parrino has won many academic research and teaching awards. He is considered a leader in the field of finance. Parrino has published research in a number of journals including the Journal of Finance, Journal of Financial Economics, Journal of Financial and Quantitative Analysis, Journal of Law and Economics, Journal of Portfolio Management and Financial Management.

As a Chartered Financial Analyst (CFA) charter-holder he is very active with the CFA Institute. He has been a member of the candidate curriculum committee, and also served as a regular speaker at the annual Financial Analysts Seminar and spoken at over 20 Financial Analyst Society meeting.

In addition to McCombs, Parrino taught at the University of Chicago, University of Rochester, and IMADEC University in Vienna.
