

Robert Robertson

Department Chair for Computer Science and Information Systems at Southern Utah University

Cedar City, UT, US

Specializing in cyber security and computer science forensics

Description

Dr. Rob Robertson is the Department Chair for the Computer Science & Information Systems programs at Southern Utah University.

Teaching network security and advanced persistent threats at the graduate level, Dr. Robertson is actively engaged in research. His areas of focus include network security monitoring, intrusion analysis, log analysis, and advanced persistent threats.

After earning a bachelor's degree in history at Portland State University, he went on to earn a master's degree in business administration at the University of Portland, and a Doctorate in Information Systems with emphasis in security at Nova Southeastern University.

Industry Expertise

Computer/Network Security, Computer Networking, IT Services/Consulting, Training and Development

Topics

Cyber Education, Intrusion Prevention, Network Security, Digital & Network Forensics, Intrusion Detection, Cyber Forensics

Affiliations

InfraGard Salt Lake City Members Alliance, Association of Information Systems

Education

Portland State University

B.A. History/English

University of Portland

M.B.A. Business Administration

Nova Southeastern University

Ph.D. Information Systems, Security

Accomplishments

GIAC Certified Intrusion Analyst

2017-Active

Certified Information Systems Security Professional
