

Ronald Rogge

Associate Professor of Psychology at University of Rochester

Rochester, NY, US

Rogge's research focuses on understanding dynamics within romantic relationships and families.

Biography

Ron Rogge is an Associate Professor in the Department of Clinical and Social Sciences in Psychology at the University of Rochester. His research focuses on understanding relationships and the early years of marriage.

Rogge served as a Lieutenant in the United States Navy from 2000-2004, providing counseling to sailors and marines including deployments to Kuwait and Iraq.

Since joining the faculty at the University of Rochester in 2004, Dr. Rogge has developed a program of research focused on understanding how individuals, couples, and families grow and change over time.
