

Saeed Ahmad, Ph.D.

Research Assistant Professor, Department of Chemical and Life Science Engineering at VCU College of Engineering

Biotech Eight, Room 443, Richmond, VA, US

Dr. Ahmad specializes in the development of using small molecules, peptides and proteins

Industry Expertise

Research, Education/Learning

Areas of Expertise

Research and development using small molecules peptides and proteins, Process development of new and existing active pharmaceutical ingredients, Development of efficient and cost effective processes using continuous synthesis and flow chemistry.

Education

University of Allahabad, India

Ph.D. Organic Chemistry

University of Georgia, Athens, GA

Postdoctoral Fellow
