## Testimonials

### Michele Lurvey

Thank you so much for facilitating our annual staff meeting! The Great Results Teambuilding event was better than we anticipated. Our 25 team members laughed, participated, and encouraged each other more at this event than any we've had in our long history of annual staff meetings.

We especially appreciated your unassuming demeanor and relatable style. You did an excellent job of making a point, giving pause for reflection, and letting each participant conclude what each activity meant to them. I am confident the lessons, affirmations, and bonds from this day will last long into the future at our dental practice. Many shared that this was a great day of renewal that will transcend our company team and apply to their personal lives.
