

Sirkka Jarvenpaa

Professor, Department of Information, Risk, and Operations Management at The University of Texas at Austin, McCombs School of Business

Austin, TX, US

One of the most prolific scholars in the field of information systems.

Description

Sirkka Jarvenpaa holds a dual appointment with McCombs and the Center for Women's and Gender Studies at UT Austin. Her work explores online communities (such as music remix sites like NIN.com), corporate social media platforms, and off-shoring and outsourcing within tech and engineering. She has written for the IBM Center for The Business of Government and has held visiting scholar appointments at Harvard and MIT, among many others.

She is the Director of the Center for Business, Technology, and Law and holds the Bayless/Rauscher Pierce Refsnes Chair in Business Administration. Her research and teaching interests include online activism, open innovation, and the strategic use of information technology.
